

FAST NUCES Peshawar Campus

Programming Fundamentals

Spring 2024, Section B

Assignment: 02

Deadline: 7th May, 2024

Late submissions will not be accepted. You are required to create a repository on your GitHub account and upload your assignment to Git by the specified date (Making a Git repo is a bonus marks). Additionally, on Google Classroom, you must upload a single zip file containing three files in the following format: **‘Q1-23P-000‘**, **‘Q2-23P-000‘**, **‘Q3-23P-000‘**. Your zip file should be named with your roll number, for instance, **‘23P-0000.zip‘**. Submit the form with the GitHub repository URL before the deadline.
